## ST AUGUSTINE'S PARISH VISION STATEMENT

St Augustine's Parish is a community striving to be Christ to one another and to welcome and serve the Christ in those around us. We seek ongoing spiritual formation as individuals, as families and as a community. We hope, through pastoral care, to strengthen, support and enrich one another and reach out to others in witness and evangelisation.

## PALM SUNDAY OF THE PASSION OF THE LORD – YEAR C

13<sup>th</sup> & 14<sup>th</sup> April 2019

### ENTRANCE ANTIPHON

Six days before the Passover, when the Lord came into the city of Jerusalem, the children ran to meet him; in their hands they carried palm branches and with a loud voice cried out: Hosanna in the highest! Blessed are you, who have come in your abundant mercy!

### RESPONSORIAL PSALM

**Response: My God, my God, why have you abandoned me?**

All who see me deride me. They curl their lips, they toss their heads. 'He trusted in the Lord, let him save him; let him release him if this is his friend.'

**R**

Many dogs have surrounded me, a band of the wicked beset me. They tear holes in my hands and my feet. I can count every one of my bones.

**R**

They divide my clothing among them. They cast lots for my robe. O Lord, do not leave me alone, my strength, make haste to help me!

**R**

I will tell of your name to my brethren and praise you where they are assembled. 'You who fear the Lord give him praise; all sons of Jacob, give him glory. Revere him, Israel's sons.'

**R**

### GOSPEL ACCLAMATION

Praise to you, Lord Jesus Christ, king of endless glory!

Christ became obedient for us even to death

dying on the cross.

Therefore God raised him on high

and gave him a name above all other names.

Praise to you, Lord Jesus Christ, king of endless glory!

### PARISH PRAYER

Lord God, may we, as St Augustine's Parish, be a united and welcoming community recognising the need for Christ in our lives and serving the Christ in others. May we, as community, continue to face challenges together serving and supporting individuals and our families through our own personal efforts and our parish support groups. Guide us with your patient love. Fill us with your infinite Wisdom. Pour out your rich blessings upon us as we reach out to one another to fulfil our spiritual and pastoral needs as One in Christ, in community, and in faith, hope and love. AMEN.

### COMMUNION ANTIPHON

Father, if this chalice cannot pass without my drinking it, your will be done.

# Thoughts from the Presbytery

Please be aware, the Vigil Mass next Saturday begins at 6:30pm. Due to the three adult baptisms of Wendy Caire, Trish Chipangura and Georgia Whitaker, the ceremony will take at least one and a half hours. The Vigil is the highlight of our liturgical year and a wonderful celebration, steeped in ancient ritual. The Sacred Paschal Triduum begins with the Mass of the Lord's Supper, Thursday 7pm, and concludes at the end of the Vigil.

We are in the process of revamping youth activities in our communities. For the benefit of upper primary, Mount Carmel School would like our community to invest in the CYSMA program, beginning in term three.

Our townhouse is vacant, so if you know of a suitable tenant, please contact Yass Valley Property.

## Mercy ...

Mercy is the other hand of compassion. We feel for another and we are drawn to take their part. We really and deeply care - as the good thief did for Jesus. "Blessed are the merciful," Jesus said to the crowd, "for they shall obtain mercy," again as the good thief did. Ponder the virtue of mercy today and try to extend it to anyone around you who is suffering or in need.

*On this Palm Sunday, Jesus, you are greeted by the crowd with songs of joy. May I too greet you with love and praise. The crowd that cheered you, however, turned against you on Good Friday. May I be your loyal follower in good times and in bad. Hosanna, Jesus, I offer praise to you, may I give you joy in all that I do today and during this Holy Week.*

*Have mercy on me when I fall.*

*Amen.*

## It's Not the Persecution - It's the Response

For several years I attended a unique Good Friday service in Melbourne. It was a prayer walk through downtown. At several stops along the way, we listened while speakers talked about places in our world where people still experience suffering and death. They talked about how poverty strips people of their dignity, about governments that use torture to destroy people's spirit, and about the countless people each year who face execution.

You know, the "Passion" really started a long time before Jesus. It started the first time in history one person persecuted another. And it has continued without pause since Jesus himself suffered and died.

So where can we find hope if history seems so filled with pain and persecution? We can find hope in the Passion of Jesus. Ultimately, Jesus' Passion isn't about suffering and persecution. The Passion is about Jesus' response.

Focus this Holy Week on Jesus' response to the people in his life - those who love him and those who reject him. He was fully human. Many scholars argue that Jesus didn't know he would be resurrected. Just like us, Jesus did not have complete certainty about what would happen to him after his death.

So watch this man during Holy Week. Despite his fear, uncertainty, and agony, he focuses on God and others. Through God's power he offers the last hours of his life as a lesson of how his friends and followers can find meaning in every hour of their lives.

Then focus on today's world. Yes, Jesus' Passion continues. But focus on how God's power still inspires people to be courageous. Scan the newspapers; you will find stories about people throughout the world who brave persecution and suffering to help others. Look around your school, church, or family; you will see people who sacrifice their lives for others. Go to a nursing home or hospital; you will meet people who still love despite tremendous suffering.

Jesus' death was not that unusual. Our world has been filled with suffering and pain since the first human beings made their appearance. But Jesus' response was unusual. His response made God's power even more available for Christians who seek to respond like him. And history is filled with those heroes. Will you join their number?

***Who in your life responds to pain or persecution with the same love, courage, and faith that Jesus had in his last hours?***

### Dear Women of the Parish,

One of the top three concerns that came out of our parish plenary survey was about the role of women in the Church. After further discussion at our parish plenary meetings there was consensus that much could be done at parish level to empower and support women. The Parish Pastoral Council would like to find out what you want to see happening in this parish for women. We would be grateful if you could complete the following questionnaire to help us determine what action for supporting and empowering women would be most useful.

Your questionnaire response is anonymous and will only take 5 minutes to complete.

To complete the survey visit

Paper copies will be made available for those women who are unable to access the online version.

Thank you.

## COMMUNION REFLECTION

### Walking on wounded feet

The crowd cheered him,  
'Blessings on him,' they roared,  
waving flags of palm,  
'For he comes to us in God's name.'  
And a few days later they cheered again,  
this time for his death,  
and blessings on a public robber, Barrabas.

A fickle people.

We wonder why?

What changed them?

Like Peter later,

they would say,

'I don't know the man,'

for the man they saw later in the week  
was, in their eyes, a different man.

The king had become a spectacle,  
bloodied, mocked, rejected.

Who wants a leader like that?

Jesus didn't want acclamation,  
he had been trying to say all along  
that he was a different type of king.

And so he chose a donkey,  
as his chariot.

They saw their own hopes  
for a leader who would overthrow their oppressors,  
and didn't see the real Jesus.

The leadership of Jesus has lasted longer  
than any of the public leadership of the time,  
because he was a king of love and compassion,  
and walked the way of the cross –  
carried by his wounded feet and the help of a friend,  
and guided by the hand of God, his Father.
