

- We have advertised in the parish bulletin for Expressions of Interest for a Youth Minister. The intention is that the Minister will run a youth group aimed towards upper primary aged children from all schools in Yass, having gatherings and events at the Hartigan Centre.
- We are hopeful of having some financial support from the Archdiocese; to this end, I have spoken to Helen Delahunty about the possibility of organising this without CSYMA involvement, which she stated was not possible. However, as a follow up to some points raised in the phone conversation, I have arranged to meet with her on Friday 14th Feb 2020.
- Sarah Johnston and I have met with Amber Maher, as a parent of primary school aged children, who has agreed to be the Youth Minister's support person, and supervise the program used. I will in turn be Amber's 'go to' person for any assistance.
- At the time of writing we have only had one Expression of Interest, with the applicant being a young local parishioner who expressed great interest indeed.
- Veni Sancte Spiritus. St Augustine: Pray for us.
