

EDUCATION

The sole purpose of the Church is to tell the whole world that God loves each and every person infinitely.

This is done through education, prayer and example.

EDUCATION

We learn of God's infinite love through the study of the Old Testament, the New Testament and the history of the Church.

PRAYER

We explore different styles of prayer by studying the lives of the mystics and the saints . We also study solitary prayer and community prayer. As different styles of prayer are appropriate to each person and each person's spiritual development.

EXAMPLE

We live our lives by living the way God wishes us to live and upholding the moral truths that help us to help others to find God
