

February Social committee report

Fund Raising

Future parish social functions

With Easter quickly approaching we may look at a get together to celebrate?

? Morning Tea following 10.15 Mass last Sunday of every month.

Community events

2020 has been a year to remember, not for many good reasons, but as a community we had some pleasant times.

The *ladies of our parish* have started to get together every 2nd Thursday of the month at the Soldiers club for a cuppa and a chat, this has been a wonderful way for us all to get to know each other better.

April Farewell for Sr Macrina we had a lovely time with Sister, sad to bid her farewell but we have had a few visits with her in Young and she still has that cheeky way about her.

November we had a small get together with the Bishop as he wanted to meet parishioners and discuss the needs of the Yass community.

December *farewell for Fr Mick*, as sad as it was to see him go we had a great turnout to bid him farewell. All seemed to enjoy the afternoon and it was good to see Fr stay for the whole time. I hope he is in the Northern Territory and doing what he was looking forward to doing.

January *Welcome Fr Peter*, we had a great afternoon welcoming Fr.

The weather was pleasant and many parishioners attended to let Fr know how welcome he is, and how we are all looking forward to the future with him.

Sr Aileens anniversary. Lunch at the Soldiers club to celebrate Sisters anniversary was a great success. 36 Adults and 5 children attended, it was an honour to celebrate such a milestone in Sister's life, Sister Aileen has been such an important part of the Yass Community, let's hope Sister will stay here for a long time to come.
