

## **Welfare Report 1<sup>st</sup> December 2021**

Activities remain subdued.

The St Vincent de Paul Society reported that the Ozanam Appeal raised sufficient funds to cover their obligations of \$640 to support our twinned conferences in India and Thailand. The Conference is currently raising funds for the Christmas Appeal. The Conference is aiming to raise sufficient funds and Christmas items to make forty hampers. An average of five families are being assisted each week. The Vinnies Centre is open subject to COVID regulations.
