The parish collects personal information, including sensitive information to obtain Census data and Pledge details for the various programs that it operates.

The information collected on census forms, Baptismal and other sacramental forms is required to assist the parish and Archdiocese to carry out their various functions, services and activities. Parish and Archdiocesan functions, services and activities include but are not limited to providing religious services to the community, including administering sacraments and pastoral care, carrying out fundraising campaigns and appeals, including use of information to process donations, communicating with Archdiocesan supporters and communicating with the public who contact the parish and Archdiocese with queries, comments or complaints.
