

PRAYER FOR NATURAL DISASTERS & NEPAL.

God, we lift all those affected by natural disasters and in this case Flooding in Nepal, asking for Your protection, comfort, and restoration in their lives.

We Pray for Comfort and Healing:

God, we pray for those who have lost their lives, homes, possessions, or loved ones. Wrap them in Your loving arms and bring peace to their hearts amidst the chaos. Heal their physical, emotional, and spiritual wounds, and grant them courage to face each new day. May Your presence be a refuge and strength, reminding them that they are never alone in their suffering. We pray for first responders, volunteers, and relief workers who risk their lives to aid others. May their efforts be blessed, and may they find strength and courage in the face of overwhelming challenges.
