

## REPORT TO THE PARISH COUNCIL 5/6/19

On the 25<sup>th</sup> May in order to celebrate the national feast of Australia, Lourdes had a pizza night with soup.

I gave a ten minute talk on Mary the Mother of God. I was trying to give the known facts about the life of Mary and dispel some of the more bizarre myths about her.

The night was deemed a success and hopefully we can have more social and educational events during the year.
