

Parish Pastoral Council – Welfare Report 5 June 2019

The Carers Group

Operating smoothly.

Warmington Lodge Morning Tea Group

Members attended a farewell morning tea for retiring manager of Warmington Lodge, Janet Puckett.

Meals on Wheels

There has been a decline in the number of people receiving meals on wheels. The reasons for the decline are not clear.

The St Vincent de Paul Society

The Conference continues its work with those in need. Demand is down, which is timely as a number of members are experiencing health issues at present and are unable to contribute. New members would be appreciated.

The Centre is going well with new volunteers signing up and good sales being maintained.

The Yass Gunning Belun

The Belun is awaiting a report from Graham Hocking on the recent visit to Ocussi.

Clinic

The Clinic is continuing to be a success, with people coming from the surrounding district through difficult terrain. Every day there are queues as people seek assistance for their medical problems.

Water Supply

Work is continuing on laying water pipelines from a spring to Manumaben Village and a nearby village.
