

Parish Pastoral Council 9Sep20
Principal's Report

School Prayer Services continue to be delivered remotely rather than as whole-school gatherings. Although this method is not as personal as traditional face-to-face gatherings, it does have the advantage that members of the wider community who otherwise would not be able to attend can participate.

Plans are in place to commence SAYG Primary next term, with Clare Barry to visit Mt Carmel and speak with Year 5/6 students.

It is highly unlikely that COVID-19 restrictions will be lifted to the extent that will allow our usual end-of-year functions including Year 6 Graduation, Presentation Night, Christmas Concert etc. Planning is underway for alternatives.
