

EDUCATION REPORT

Now that we now can have people able to physically go to meetings without severe restrictions now might be the time when we offer some form of adult religious education.

There are a number of ways we can do this.

One hour talks on different subjects eg; the Psalms, Ignatious Examen, different ways of praying, meditation,

We can do longer courses lasting up to ten weeks eg; One of the books in the bible. a history of the church, writings from the early fathers of the Church.

Little Rock in America has ten week courses on the books in the bible. Each lesson lasts about 2 hours – this includes a 45 minute video and a question and answer on the book being studied. There is about a \$20 cost involved as each participant receives a book and helps cover the cost of the video
