

- There has been no further resolution of payment for Clare Barry.
 - This raises a separate issue, of how we can be responsible for our own money for our own Parish matters, in a transparent, formal manner.
 - I will contact Huw Warmenhoven to assist us with getting Clare paid.
- Fr Peter, Michael Green and myself met on Friday 4th June to discuss the Parish Youth Minister role, the potential introduction of the Junior CSYMA at Mt Carmel and the possibility that we may need to advertise the position, as Clare has previously indicated she would not continue as Youth Minister under the CSYMA programme.
 - It was a unanimous decision to move to the Junior CSYMA program being installed at Mt Carmel, due to the program being a successful one in other schools, and also to establish another pathway for connection between parish and school.
- I will contact:
 - Clare Barry to let her know of the decision.
 - Huw Warmenhoven to let him know we would like to go ahead with the program and to be advised of the process.
- Veni Sancte Spiritus. St Augustine: Pray for us.
