

Parish Pastoral Council 21 July 21  
Principal's Report

In June my Principal Performance Review was conducted and my contract as Principal of Mt Carmel has been extended for five years.

In Week 9 of last term I participated in the Vinnies CEO Sleepout, and with the community's support raised \$4869 for the appeal. The Catholic Education team collectively raised approx \$48K.

Term 3 has commenced with new COVID-19 restrictions.

We celebrated Mt Carmel Day last Friday 16 July with a prayer service led by 1EK and an afternoon of buddy activities, including decoration of a banner for the farewell Mass for the Sisters of Mercy.

We are in the process of consulting with CE and the local Heritage Adviser about repairs and improvements to the upstairs verandahs.
