OUR NEW INSTA LOGO FOR  
YOUTH.YASS

Alice McPhillips: 22 years old  
I'm a classroom support assistant  
and I'm studying primary teaching  
which I am loving.  
I love playing social sport, going  
to the gym, reading, and I'm a die-  
hard fan of Pride and  
Prejudice (2005).

Isabelle Seselja: 21 years old

I just did a voluntary year with Youth  
Mission Team in Melbourne and I'm  
excited to bring my experiences into St  
Augustine's Parish. Currently I'm an  
aspiring barista and work in the C&G  
Archdiocese with the MRF team. This  
involves going into schools and helping  
facilitate the My Body My life program. I  
love teaching myself new hobbies from  
piano to ice skating. I'm a sucker for a  
good movie and I love Autumn with a  
passion!

# Aspirations for the Parish

## YOUTH GROUP: YR'S 3-6

We hope for the very near future to begin St Augustine's very own junior youth group for Year's 3 to 6 students. We acknowledge the need for formation particularly for our young people and our desire is to create a space where questions about faith can be explored in a safe and fun environment. The proposal is for an after school-based program which will include games, brief input, fellowship time fostering discussions around the faith.

## ALPHA COURSE

Another exciting hope for the parish is introducing the Alpha program to the Yass community. This is a great program for people new to the faith as well as established Christians. The program is based around the central gospel message and presented in an accessible and relatable manner.

Our hope is to do weekly sessions which will involve time of fellowship over a meal, watching a 20-30-minute video input, and small group discussions following the clip. This course is a highly regarded resource that has been used across various parishes and been incredibly successful in bringing people to the faith and building relationships within the parish community. In order to make this vision a reality, we require your support. If you would like to be involved in anyway, please contact us via our email.

# PROGRESS & CHALLENGES

MAY - ISSUE #1

## PROGRESS

- We made it to all the Parish weekend masses last weekend and introduced ourselves; we were warmed by your love and support!
- Initial meetings discussing our plans and outreaches we would love to begin are underway.
- We hope to begin our Junior Youth Group around the 28th of May and hope to begin an Alpha Course at the beginning of Semester 2, late July.

## CHALLENGES

As with starting anything new, getting a new outreach off the ground can be a bit slow starting!

Having too many great ideas but needing to draw our attention to one or two outreaches.

## PARISH SUPPORT

### HOW CAN YOU SUPPORT US?

- Spread the word about the upcoming ministries and outreach programs.
- If you can support us in anyway, please contact us via our email
- Keep us in your prayers! You could do this by offering a rosary or a holy hour up for us and those we minister to!

### PRAYER INTENTIONS

*Please pray for our parish youth coordinators, that as a pair we will plan and implement activities for our young people that help them foster a desire to learn about God and seek Him in their lives.*

*We pray that by engaging in the parish life, young people will begin a lifelong relationship with God. Amen*
